solutions for a smarter world

Shadow U3

Shadow U3

Windows Version
Part# MASHUBi3

The Shadow U3 provides the best of mobility, value and performance in a durable thin & light form factor.

Built on the latest Intel® Core™ i series processors platform, the Shadow U3 is packed with practical features that enables a complete mobile computing life style.

The bright 14" LED backlit display provides all day view-ability, boasting a modern 16:9 aspect HD LCD display.

Stay well connected with an HDMI port and both WiFi and Gigabit networkability, or use the built-in camera for enhanced, personal learning and communications.

The user friendly TrackPad provides for multi-finger use and the comfort-able keyboard makes typing user friendly.

Designed to provide an optimal balance of carry weight and features, the Shadow U3 also is a stylish advanced technology notebook completely backed up by superior customer service from M&A.

Specifications
